Travel information

Campus Griebnitzsee map

The Digital Health Cluster is located on Campus III (Building G) at Rudolf-Breitscheid-Strasse 187.

On the HPI campus in Potsdam, the innovation spaces are distributed across both Campus I and Campus II. The D-Space, where the main event will take place, is located in the main building (House H) on Campus I, serving as a creative hub for collaboration and prototyping. Just to the

west on Campus II, the D-School occupies House D and House E, hosting HPI's renowned Design Thinking programs. Across the same campus, the HPI Engine in Building L focuses on entrepreneurship and innovation, while the Maker Universe, situated in house K, provides a hands-on workshop environment for making and experimentation. Together, these spaces form a connected ecosystem for creativity, design, and technology at HPI.

Get-togethers

**Tuesday,
November 11th,
18:00-21:00**

Restaurant Spree Gold in Bikini Berlin

Address:

Budapester Straße 50,
10787 Berlin
<https://www.spreegold.com>

Take the S7 from S Griebnitzsee (toward Ahrensfelde) to S+U Zoologischer Garten (about 25 minutes), then walk about 5 minutes to the restaurant inside the Bikini Berlin mall.

**Wednesday,
November 12th,
17:00**

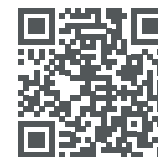

Museum Barberini Potsdam

Address:

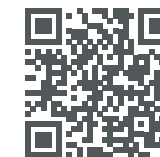

Humboldtstraße 5-6,
14467 Potsdam
<https://www.museum-barberini.de/en>

Take the S7 from S Griebnitzsee towards Potsdam Hauptbahnhof. Take Tram 91 (direction Pirschheide) or Tram 92 (direction Kirchsteigfeld) from the station. Get off at "Alter Markt/Landtag" (2 stops, about 5 minutes).

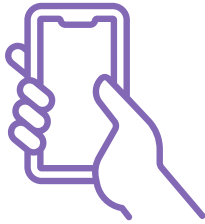

Please note: The Museum Barberini's security staff will carry out bag checks on all visitors before they enter the museum. Afterwards all bags and jackets must be handed in before visiting the exhibition; a checkroom and lockers are available free of charge. We ask for your understanding and wish you a pleasant art experience!
